

## Balsamic Vinegar of Modena IGP,

Rubio, 8.5 fl oz (250 ml)

This Balsamic Vinegar hails from Modena, one of the few regions in the world that produces balsamic vinegar. The unique sweet and sour taste derives from a reduction of cooked grapes that is then left to ferment, sometimes for years. With rich and complex flavors deriving from the barrels used to age the vinegar, this Balsamic from Rubio makes for a delicious addition to salad dressings, marinades, and vegetable dishes.

- **Ingredients:** Concentrated grape must, wine vinegar. Contains sulfites.
